

Instructions for downloading

Photo re-prints are royalty-free for the press; please do not use the images for advertising. Please acknowledge the relevant copyright notices and names of the photographers.

To save a photo on your computer:

1. Please left-click on the selected preview image.
2. To retrieve the photo in the highest resolution, please **right**-click on the “download”-link in the opened popup window.
3. In the menu that opens, please click on "Save target as ...".
4. In the open dialogue box ("Save as"), please select the location on your PC, where you want to save the image file.
Here, use "temp", for example, on your hard disk or any other directory.
5. Click "Ok" or "Save" - the image will now be downloaded to your PC.
6. To view the high-resolution photos, you may, for example, use DTP, or picture processing programmes.
